Important Update for Nevada Tax Filers

The Department has recently changed payment processors for online payments through Nevada Tax. **Check with your bank** before setting up or making a debit payment. If you have an ACH Fraud Filter or any other type of debit block on your account, you will need to work with your bank to pre-authorize debits from Nevada Tax. In order to pre-authorize your tax payment, please provide the below information to your bank.

Company Identification Number: 8860000130.

If you do not provide this information, your bank could return the payment as an unauthorized debit and reject the payment.

Sincerely,

State of Nevada Department of Taxation
